pictures used by female scammers

female pictures most frequently used by African scammers.

ALL PICTURES ARE STOLEN FROM INNOCENT THIRD PARTIES. In reality, the scammers are Africans from Nigeria and Ghana. People on the pictures are not associated with scammers in any way, they are just victims of identity theft. If you are contacted by somebody using these pictures on a dating site or a social network, you are being scammed.

The complete scam reports on scammers using these pictures you can find on RomanceScam.com, this is just an overview.

The Death of the PC

The days of paying for costly software upgrades are numbered. The PC will soon be obsolete. And *Business-Week* reports 70% of Americans are already using the technology that will replace it. Merrill Lynch calls it "a $160 billion tsunami." Computing giants including IBM, Yahoo!, and Amazon are racing to be the first to cash in on this PC-killing revolution. Yet, two little-known companies have a huge head start. Get their names in a free report from The Motley Fool called, "The Two Words Bill Gates Doesn't Want You to Hear..."
